

Book Published By Dr. Jyoti Dinkar Bhosale

Book's chief editor. Publication of the book "Understanding Research and Methodology" With the ISBN-978-1-387-98588-3 Published by, Lulu Publication 3101 Hillsborough St, Raleigh, NC 2767, United States in year 2022.

About the Editor

Ms. Jyoti D Bhosale

- Diploma in IT, BE in IT, ME in Computer Networking, PGD in Disaster Management, Pursuing PhD.
- Email id : bhosale.jyoti3@gmail.com
- Has Experience of 10 Years in teaching.
- Has published several National & International Research papers in Computer Engineering, Disaster Management field.
- Assistant Professor, Computer Engineering Department, VDF Group of Institution Latur (Maharashtra).

Authors

Ms. Sushama S. Thorat
HOD & Assistant Professor, Civil Engineering Department, VDF Group of Institution Latur (Maharashtra).
Email id : thoratsushma@rediffmail.com

Mr. Gangadhar D. Sakhare
Secondary teacher, in English Department, Samata vidyalaya Ahmedpur, dist Latur (Maharashtra).
Email id : gangadharsakhare373@gmail.com

Mr. Vinesh S. Thorat.
Assistant Professor at G.H. Raisoni College of Engineering and Management, Pune (Maharashtra).
Email id : thoratvinesh@gmail.com

Mrs. Priti Vijaykumar Pancholi
Assistant Professor in Computer Science & Engineering Department, College of Engineering Ambajogai Dist: Beed (Maharashtra).
Email id : prity.panchal@gmail.com

About Authors

Er. Kumari Deepika is the first author of this book. Deepika did Bachelor of Engineering in Information Technology from Nagpur University. Thereafter she qualified GATE and completed Master of Technology in Computer Science and Technology from Central University of Punjab. During her MTech she worked on Performance Optimization on ETL process as dissertation research project. She has qualified UGC NET twice. Currently she is working as an Assistant Professor in Symbiosis Institute of Computer Studies and Research, Symbiosis International Deemed University, Pune, India. Along with her job, she is also pursuing part time PhD from J C Bose University of Science and Technology.

Dr. Santosh Chowhan is working as an Associate Professor at Department of Data Science and Analytics, School of Sciences, JAIN (Deemed-to-be University), JC Road, Bangalore-560027. He has a vast experience in the subject of Data Science. He has attended and presented his work in many conferences, seminars, workshops of National and International level.

Dr. Ujuwala S Suryawanshi completed M.Sc. (CA) degree from Swami Ramanand Teerth University Campus, Nanded and pursued Ph.D. in 2020 in Computer Science from SRTM University, Nanded. The main topic of PhD is Brain Tissue Segmentation Using 3D Magnetic Imaging Resonance. She is presently working as Assistant Professor in Rajarshi Shahu Mahavidyalaya, Latur, and Maharashtra, India.

Dr. Shruti Bharadwaj is working as an Assistant Professor at United college of Engineering and Research, Pragagraj. U. P. She has decade of teaching experience. She has published several research papers in various reputed National & International journals. She attended and presented her research work in many conferences, seminars, workshops of National and International level.

Dr. Mahendra H Kondekar completed MCA degree in 1999 from Government Engineering College, Aurangabad and pursued Ph.D. in 2013 in computer science SRTM University, Nanded. The main topics of research are Biometrics Technology, Fuzzy & Neural network, and data analysis. He is presently working as Incharge Principal in Marathwada Institute of Technology, Cidco, Aurangabad, Maharashtra, India.

Er. Jyoti D Bhosale completed Diploma in IT, BE in IT, ME in Computer Networking, PGD in Disaster Management, Pursuing PhD. She is presently working as an Assistant Professor at Computer Engineering Department, VDF Group of Institution Latur (Maharashtra). She has 12 years of teaching experience. She has published several research papers in the field of Computer Engineering, Disaster Management field in various reputed National & International journals.

The book chapter titled "The Evolving Role of Software" in edited book titled "Advanced Research in Computer Science (Volume - 1)". Published in Bright Sky with ISBN: 978-93-92804-92-2 in year 2023.

The Book Entitled Sustainable Agriculture Volume II (ISBN: 978-93-88901-51-2) chapter published with “Rice Foodborne Disease Detection Using Machine Learning”.

The book chapter titled "Introduction to Data Types in Python" publication in edited book titled "Advanced Research in Computer Science (Volume - 1)".

**Book published in Evincepub Publishing with ISBN: 9789356735569
Edition: 2023” Software Engineering Essentials Building Robust
Applications: Based on Syllabus of SRTMU Nanded”**

Dr. Jyoti Dinkar Bhosale

PhD (CSE), PG in Disaster Management, ME (CNE), BE (IT), Diploma in (IT).

Author is working as an Assistant Professor, Computer Engineering Department, VDF Group of Institution Latur (Maharashtra). Author has experience of 10 Years in teaching field. Author has published several National & International Research papers in Computer Engineering field. She is awarded for her paper as best paper in conference. Author worked as reviewer in different journal and conference. She has been granted two patents. She released various books and chapters with an ISBN and has a book editor.

Dr. Suraj Shankarrao Damre

BE (CSE) ME (CSE) PhD (CSE)

Author is working as an assistant professor. He has total 10 years of experience in teaching. He has published lots of papers in reputed journals on recent trends of industry like Machine Learning and Internet of Things. He is life member of ISTE and he is youngest senate member nominated by Hon. Chancellor of Maharashtra for period of five years on SRTMU Nanded.

Dr. Ujwala V. Suryawanshi

MSc(Comp. Application), PhD(Computer Science), MSc (Biotech)

Author is currently working as Assistant Professor in RAJARSHI SHAHU MAHAVIDYALAYA (AUTONOMOUS), LATUR. Author has completed Ph. D in Computer Science from SRTMU, Nanded. Author has around 18 years of experience in computer science field. Author has published about 8 research papers in the area of Digital Image Processing and Artificial Intelligence. Author has received minor research project on MRI SEGMENTATION OF BRAIN IMAGES from UGC. Her book published titled “DATAWARE HOUSING” in 2022.

Prof. Ashwini A. Patil (Biradar)

PHD (CSE) Pursuing, ME (CNE), BE (CSE).

Author is working as an Assistant Professor, Information Technology Department, M.S. Bidve Engineering college, Latur, (Maharashtra). Author has Experience of 18 Years in teaching. Author has published several National & International Research papers in Computer Engineering field. She is director of MSBECL alumni association Latur, Maharashtra

Dr. Jyoti Dinkar Bhosale

PhD (CSE), PG in Disaster Management, ME (CNE), BE (IT), Diploma in (IT). Author is working as an Assistant Professor, Computer Engineering Department, VDF Group of Institution Latur (Maharashtra). Author has Experience of 10 Years in teaching. Author has published several National & International Research papers in Computer Engineering field. She is awarded for her paper as best paper in conferences. Author worked as reviewer in different journal and conference. She has been granted two patents. She released various books and chapters with an ISBN and has a book editor.

Dr. Sanket Gunderao Torambekar

PhD (Computer Science) M. Sc. (Computer Science), B. Ed. Author is working as faculty in Computer Department, K.P.C. Yogeshwari Polytechnic Ambajogai. Author has experience of 10 years in teaching field. Author has published several national and international Research papers in computer science field.

Dr. Santosh Shivajirao Lomte

ME.(CS)Msc(Appl.Sci (Spc.CS))MBA(Finance) Ph.D.(Computer Science and Engineering)

Author is currently working as a Principal at Radhai Mahavidyalaya Aurangabad. Currently member of Board of Information Technology at SRTM Nanded. Author has 34 years' experience in teaching field. Author is research guide in Computer Science and Engineering. Worked as HOD Dept. of Computer Science in Swami Ramanand Teerth Marathwada University, Nanded. Worked as principal of Engineering Colleges. Worked as Member of Academic Council and Management Council at Dr. Babasaheb Ambedkar Marathwada University. The author has published more than 80 national and international research papers.
