

Subject: Industrial Visit on every Saturday by electrical engineering department . Report

Department of Electrical Engineering

SY/TY/BTech students

VILASRAO DESHMUKH FOUNDATION GROUP OF INSTITUTIONS, LATUR

The industrial visit conducted on every Saturday provided an enriching experience for the participants from SY/TY/BTech students. The purpose of the visit was to expose students to real-world industrial operations, enhance their practical knowledge, and bridge the gap between theoretical learning and practical application.

Venue:

The visit was organized at different companies located at MIDC Latur and nearby area. The facility specializes in Electrical Engineering..

Objectives:

The primary objectives of the industrial visit were:

To gain insights into the practical aspects Electrical Engineering field.

To understand the manufacturing processes and technologies involved.

To observe the application of theoretical concepts in a real-world setting.

To interact with industry professionals and gain valuable insights from their experiences.

To explore potential career opportunities in the field.

The program included visits to various departments, where students observed the manufacturing processes, quality control measures, and safety protocols in place. Live demonstrations and explanations by industry experts provided valuable context to the theoretical knowledge acquired in classrooms.

A question and answer session allowed students to clarify doubts and engage in meaningful discussions with the professionals. This interaction proved to be a crucial aspect of the visit, as it facilitated a deeper understanding of the industry's nuances.

Observations:

During the visit, students observed:

Advanced machinery and technology used in the manufacturing process.

Stringent quality control measures to ensure product quality.

Importance of safety protocols and compliance with industry standards.

Integration of sustainability practices in daily operations.

Teamwork and collaboration among employees to achieve common goals.
