

# Electrical Engineering Departmental Events

## Ayudha Poojan

The college witnessed the Ayudha Pooja celebration in every year before the Dashehra festival by Electrical Engineering Student Association in Electrical Machine lab in the presence of Principal Sir, HOD of Electrical department Prof. R.U.Ingale sir, HOD's of other departments along with Staff and the students.

Aayudha Pooja rituals were carried out by Student Coordinators and Class Representatives along with the Arti and Bhajan program from the students of Electrical engineering department. All the labs and department floor were beautifully decorated along with the rangoli and flowers as a sign of celebration with the theme of Red, yellow and orange Attire. After the rituals prasad, sweets and juice were distributed to the devotees.

## **Project Exhibition on Engineer's Day**

'PROJECT EXHIBITION' was organized by the Department of Electrical Engineering on Engineer's Day that is on 15th September of every year. The exhibition was organized for all electrical engineering department students. The main objective of this exhibition was to provide the introductory knowledge of the projects and provide an opportunity for the students to establish their learning experience.

The outcome of the 'PROJECT EXHIBITION' was that students were able to show their project at a higher level and the process boosted their self-confidence. The inauguration of the project exhibition witnessed in the presence of the HOD Prof.R.U.Ingale sir and all the faculty and staff members of Electrical Engineering Department. The HOD of Electrical Engineering Department, formally welcomed both the Jury Members, the dignitaries and all the participants. The Principal and HOD of Electrical engineering department gave inspirational speech to the Electrical engineering department students at the end program.

## Cultural Day

A cultural programme was organised in our electrical engineering department during college gathering DRISHYA on every year. It was held in the college cafeteria. The programme was organised to promote cultural activities among students.

The programme included a variety of items like dances, songs, skits and plays. All the students participated enthusiastically in the programme and presented their items with great zeal and passion. The audience applauded their performances. The programme was always well appreciated by higher authority. The programme was a great success and was enjoyed by all. It was a great platform for the students to showcase their talents. All the students enjoyed and took back great memories.

## Teachers Day

**“If there were no Teachers, all other Professions would not exist”**

The quote exactly mentioned the importance of teachers in life. We celebrate teacher's day in electrical engineering department on every year. This year also the HOD and Professors were invited to celebrate their day. The students of second year, third year and final year expressed their gratitude and appreciation for the professors. The celebration took place after the classes. It started with the cake cutting ceremony by the professors. The introductory speech was delivered by honourable Principal and HOD sir. Their words overwhelmed all of the staff and the students. All of us enjoyed the celebration and spent some memorable time with loving teachers in the busy schedule.

## Department Alumni Meet

The Alumni Association of VDF Engineering College organized "ALUMNI MEET"- a programme to facilitate, consolidate and coordinate Alumni. The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements. The Alumni Meet started with a welcome address by the alumni association and HOD of electrical engineering. The meeting was graced by the Principal Sir.

Alumni also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumni shared their views. Vote of thanks was given by Final year class coordinator and he thanked all alumni members of the event. He also thanked the management and Principal of VDF-GOI for the support and guidance which has made Alumni Meet a grand success.

## Department Fresher's

The program started with lamp lightening and inaugural speech by Honorable Principal, and HOD Prof. Ingale sir and followed by all faculty members of electrical engineering department. The program was hosted by all Final Year students. The welcome dance was performed by the group of students of third year electrical.

Fresher's along with their seniors got chance to showcase their talent by a stunning Ramp walk, various Dance performances like solo, Duo, Group dances. Later small games were organized to make the function more tricky and fun! Later the shortlisted participants walked again on the ramp and they were asked to stand in the line followed by the questioning session based on which the Mr. and Ms. Freshers were finalized. There was a tough competition among the freshers as they all were amazing!

## Department Farwell

Third year students of electrical arranged a farewell party for the final year outgoing students. Farewell is basically a get to gather kind of celebration for the seniors who will be soon stepping out of VDF-GOI institute. Hence juniors wish their seniors a good luck for their next big adventures in various forms like singing, dancing, with motivational speeches or by felicitating them.

At end of academic year or last week of the academic year the farewerrl party was arranged. The function had begun with the theme “Every Ending has a new beginning” and followed by fun games which were conducted by the juniors to the seniors such as quiz, pick the ball etc., Later the final year students were asked to give their opinions about the VDF institution and the staffs. All the students were felicitated by the Principal and HOD Prof. Ingale sir, while addressing the student, they explained the dilemmas which would be a barrier to the legal profession how the students should prepare themselves for their future endeavors and wished them with their motivational speech.
